Dear Rajesh,
I am writing to provide you with an update on my part of the group project. So far, I have completed the initial research and drafted the outline for our assigned section. I am currently working on refining the content and adding supporting examples.
One challenge I faced was finding reliable sources for certain case studies, but I have managed to resolve this by consulting additional references. Based on my current progress, I expect to complete my section by 27-10-26.
Please let me know if you would like me to share the draft for review before final submission.
Best regards,
Akshith
